DESCRIPTION

Straw cowboy hat in a classic Texas cut, suitable for outdoor events and summer promotions. Made from woven straw, it is lightweight and breathable while keeping a structured crown; dimensions Ø36x10cm give the traditional western silhouette. Care is straightforward: avoid prolonged moisture and store flat to maintain shape.

The Texas model features a slightly upturned brim and a decorative band around the crown. For unbranded orders the coloured band is supplied separately from the hats. The item is available in several colours, for example Black, Beige and White, making it versatile for festivals, corporate events and giveaways.

This personalised hat can be customised for companies, sports clubs, associations, events and private customers using Screen printing on objects, Multicolour transfer, DTF printing and Flex. Minimum order: 40 pieces (colours and sizes combined); a free quote is available within 24 hours on weekdays and our studio can retouch or vectorise your logo.
