Average weight	0.224
Dimensions	14,8 x 8 x 2,4CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

This compact 24-piece precision screwdriver set comes in a bamboo case, designed for small repairs and delicate assembly tasks. The Bamtool model houses 24 bits and a screwdriver handle in dedicated slots; the case is made from natural bamboo, which shows slight colour and grain variations. Measuring 14.8 x 8 x 2.4 cm, it is lightweight, easy to carry and should be cleaned with a dry cloth to preserve the finish.

The box features a small metal clasp and an organised interior with four rows for the bits and a dedicated space for the handle, preventing movement during transport. Its restrained finish makes it suitable as a corporate gift or a practical office accessory.

Customisation options include DTF printing, doming, laser engraving and pad printing, making this set suitable for companies, clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined); smaller quantities can be arranged for an extra fee. Free quote within 24 hours on weekdays and our graphic studio can vectorise your logo. personalised tools and torches.
