DESCRIPTION

Personalised wireless chargers with a slim, discreet profile — the Ress model features a glass top with an aluminium rim, measuring Ø9.9 x 0.7 cm. It delivers 10W charging power and shows a blue indicator light while charging. The smooth glass surface is easy to clean with a soft cloth, making it convenient for daily use on desks, counters or reception areas.

The low-profile design and metallic edge provide stable placement on flat surfaces, and the side cable connection keeps the unit close to a laptop or power source. Its compact footprint suits offices, retail counters and event stands where space is limited.

Customisation techniques available: tampography, digital printing and doming — suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 50 pieces (colours combined); smaller runs may be possible with additional fees. Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo. Collection in Evere or delivery to Belgium, France and Luxembourg.
