DESCRIPTION

The Kisan drawing set for children is a compact 14.5 x 10.5 cm recycled paper kit including 60 sheets, 5 coloured pencils, a pencil sharpener and an eraser. Its slim, fold-flat design makes it easy to hand out at events, include in welcome packs or give to pupils in class. The recycled paper provides a natural feel and good pencil grip; the product is available in several colour options, for example beige and others.

The kit opens flat so children can draw and colour comfortably; pencils, sharpener and eraser are held in die-cut slots to prevent movement in transit. The simple, functional finish suits school or event use, and any surface marks can be cleaned lightly if required.

This personalised drawing set can be printed with digital printing, doming, screen printing on objects or pad printing. Minimum order: 50 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. We provide a free quote within 24 hours on weekdays and offer an in-house design studio to vectorise or refine your logo.
