Dimensions	14,2 x 6,6 x 1,6 CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

The Powerflat 10C is a 10000 mAh aluminium recycled powerbank in a slim, rectangular format with rounded edges, designed for easy portability. Its matte finish and compact dimensions (14.2 x 6.6 x 1.6 cm) make it practical for everyday carry. It supports 18W fast charging and Power Delivery via Type-C (input/output), includes a status LED and comes with a micro-USB cable.

Connectors and the indicator are located on one edge for straightforward use on the move. The aluminium construction gives a robust feel while remaining lightweight; wipe clean with a dry cloth to preserve the finish. The design is unobtrusive and suitable for frequent handling.

This personalised powerbank can be customised by laser engraving, pad printing or digital printing. It is well suited to businesses, events, associations and corporate gifts. Minimum order: 20 pieces (colours and sizes combined). Our graphic studio can refine or vectorise your logo before production.
