DESCRIPTION

This 500 ml double-wall stainless steel bottle is a practical choice for carrying hot or cold drinks. The slim cylindrical shape (Ø7 x 22 cm) and matte finish make it easy to fit in bags or cup holders. Unisex in design, it features a carry handle on the lid and a sip-cap for convenient on-the-go drinking. Care is straightforward: rinse after use and avoid abrasive cleaners to protect the finish.

The lid includes a screw closure for a secure seal and a carrying clip for easy transport. The clean profile and solid construction provide a comfortable grip and everyday durability. Available in several colours, for example Noir, Vert foncé and Bleu marine.
