DESCRIPTION

Large bamboo cutting board designed for everyday use in kitchens, corporate catering or as an event giveaway. Made from natural bamboo, each board shows slight variations in colour and grain that make every piece unique. Its rectangular shape with rounded corners provides a practical, compact work surface (30 x 20 x 1 cm).

The board includes a practical hanging hole for easy storage and a flat, even surface suited to both food preparation and presentation. It comes in several natural wood tones, making it suitable for buffets, office kitchens or promotional gifts.
