DESCRIPTION

The Majest porcelain mug (380 ml) pairs a clean cylindrical profile with a bamboo lid and vertical bamboo handle. Intended for tea and coffee, it offers a comfortable grip thanks to its substantial handle and a smooth white porcelain finish that complements many settings. Bamboo being a natural material means slight variations in colour and grain can occur. Dimensions: 8.1 x 11.9 x 10.9 cm.

The bamboo lid helps retain heat and reduces splashes, while the straight-sided shape makes hand-cleaning straightforward. The handle is discreetly joined to the body for a contemporary look. The product is available in several colour options (including white) and is practical for office use, hospitality or corporate gifting.

This mug is suitable for customisation by screen printing, pad printing or laser engraving. Ideal for companies, sports clubs, associations, schools and private individuals. Minimum order: 10 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays and a graphic studio can prepare or vectorise your logo for a personalised mug.
