Ref. 6783

Reference	6783
Composition	Metal
Material	Metal
Average weight	0.283
Dimensions	79 x 140CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

The Bayang car sunshade designed to protect the interior and dashboard from sunlight. It combines a metal frame with a pongé 190T cover and a silver reflective lining on one side; opening and closing are manual. Measuring 79 x 140 cm, it fits most windscreens and folds away for compact storage.

The silver-lined interior reflects heat while the pongé exterior provides a lightweight, durable surface. The shade folds down into a small carry pouch and features reinforced edges to keep its shape and ease of fitting. Care is straightforward: wipe with a damp cloth and air dry.

This personalised sunshade can be customised by flex, screen printing on objects, transfer multicolour or DTF printing. Suitable for companies, sports clubs, associations and events looking for a practical promotional item. Minimum order quantity: 15 pieces (colours and sizes combined) — free quote available on weekdays.
