DESCRIPTION

These EVA slide sandals, model Kolam, feature an open slip-on design with a wide strap and a textured anti-slip footbed. Lightweight and easy to care for — a simple rinse or wipe keeps them clean — they measure 19 x 25.4 x 7.5 cm, making them convenient for changing rooms, events or welcome kits.

The wide strap and moulded footbed provide secure fit without laces or fastenings, and the one-piece construction keeps visible seams minimal. EVA is durable against moisture and everyday wear, suitable for indoor use or occasional outdoor wear. Available in several colours, including Black, White and Navy, they work well for team distributions and event giveaways.

You can order these as personalised slippers using multicolour transfer, DTF printing, screen printing on objects or embossing. A minimum order of 5 pieces applies (colours and sizes combined). Ideal for companies, sports clubs, associations, schools, youth movements and private customers — we also provide a graphic studio to retouch or vectorise your logo and a free quote within 24 hours on weekdays.
