DESCRIPTION

Antislip EVA slides in size 40/41 designed for easy everyday wear. The wide smooth strap provides a simple secure fit while the moulded footbed has a subtle texture for added comfort. Lightweight and water-resistant, these slides are easy to clean with water and dry quickly, making them suitable for changing rooms, pools, events or promotional use.

The Kolam model features a clean, minimal look with a flat-profile sole and a shaped footbed to reduce slipping. Available in several colours such as Black, White and Navy. Approximate dimensions 21x28x8 cm; the EVA construction and sole design contribute to the antislip properties.

These personalised slippers can be decorated by screen printing for objects, multicolour transfer, DTF printing or embossing depending on the desired finish. Ideal for companies, sports clubs, associations, events and private individuals. Minimum order: 5 pieces (colours and sizes combined).
