DESCRIPTION

Wall clock in bamboo with a clean, minimalist look suitable for offices, meeting rooms and reception areas. Measuring Ø30 x 1.2 cm, the Esfere model is made from natural bamboo, so slight variations in colour and grain are to be expected. The slim dial and straightforward hands provide clear time reading. The clock requires one AA battery (not included). Care is simple — dust with a soft dry or lightly damp cloth.

The circular face features discreet quarter notches as subtle hour markers and its low profile keeps it unobtrusive on the wall. Bamboo offers a warm, natural finish; avoid prolonged exposure to moisture or direct sunlight to preserve its appearance.

Personalisation is available by laser engraving to add a logo, name or short message. Ideal for companies, clubs, associations, events and corporate gifts. Minimum order: 8 pieces (colours and sizes combined). A free quote is provided within 24 hours on working days and our artwork studio can vectorise your logo.
