DESCRIPTION

This unisex ballpoint features a recycled stainless steel barrel and is presented in a natural cork box. The Graz model uses a push-button mechanism with a metal clip and writes in blue ink. Dimensions are 17.5 x 5.5 x 2.5 cm and it is available in one finish: matte silver.

The cork box has the characteristic porous texture of a natural material, so printed results may vary slightly between items. The interior includes a black insert and an elastic band that secures the pen for a tidy presentation, making it ideal for gifting or corporate packs.

This personalised pen is suitable for companies, clubs, associations, events and private gifts. Decoration options: laser engraving and pad printing. Minimum order: 50 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
