DESCRIPTION

Set of writing instruments presented in a natural cork box, including a ballpoint and a roller made from recycled stainless steel. Designed for office use and corporate gifting, the set offers a classic feel and refined finish. Ink is supplied in blue and black respectively.

The rectangular box measures 17.5 x 5.5 x 2.5 cm and secures the pens for presentation at events. Due to the structure and porosity of cork, print results can vary between items, giving each box a naturally unique appearance.

This personalised pen set can be decorated by laser engraving or pad printing. Ideal for companies, associations, clubs and promotional events. Minimum order: 50 pieces (colours and sizes combined); lower quantities are possible with additional fees. Free quote within 24 hours on weekdays and our design studio can vectorise or retouch your logo for production.
