DESCRIPTION

The Lepy set of 4 bamboo puzzle coasters consists of four pieces that interlock to form a 21 x 21 x 0.5 cm trivet. Each piece can be used separately as a coaster or assembled as a larger surface; bamboo provides a natural, lightweight and rigid finish. Slight colour and grain variations are inherent to the material and give each item a unique look. For care, wipe with a damp cloth — avoid prolonged soaking.

The coasters feature puzzle-shaped cut-outs that fit together cleanly, with neat edge finishing and a slim profile that stays discreet under a mug. The low thickness makes them convenient for everyday use; hand washing is recommended to maintain the bamboo.

Customisation is available by laser engraving or pad printing, suitable for marking logos or short messages. Ideal for companies, clubs, associations, events and individuals. This item cannot be ordered per piece: minimum order 25 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo. personalised coaster
