DESCRIPTION

Large Lou is a 1 L borosilicate glass bottle designed for everyday use or as a promotional gift. Its tall, cylindrical profile with a narrow neck and a leak-proof glass stopper gives a clean, functional look; the borosilicate material provides a clear appearance and stable dimensions. Supplied in a tubular box, it is well suited to corporate gifting and event packs.

The bottle measures Ø8 x 26 cm and features a threaded neck that secures the glass stopper. The smooth finish and uncluttered surface make it easy to handle and provide an ideal printing area for branding.

Available as personalised glassware using screen printing (object), pad printing, digital printing and doming. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 5 pieces (colours and sizes combined) — smaller quantities can be arranged for an additional fee.
