DESCRIPTION

Pickme hard-shell cabin trolley in ABS, designed as a unisex carry-on. The glossy shell and reinforced corners give a sturdy feel, while the telescopic handle and double-tube frame improve handling. Compact dimensions 35 x 22 x 56 cm, with a zippered upper compartment and a lower compartment secured with straps to keep contents organised. Fitted with four double spinner wheels for smooth 360° manoeuvrability.

Closure is by zip and the case includes an integrated combination lock. The interior is pragmatic for short trips or as cabin luggage and is easy to maintain — wipe clean with a damp cloth to preserve its glossy finish. The rigid ABS construction provides impact resistance for regular travel use.

This trolley can be customised using digital printing, suitable for companies, sports clubs, associations, schools and private customers seeking a personalised trolley. Minimum order: 2 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our studio can vectorise your logo.
