DESCRIPTION

Vegan lip balm presented in an aluminium screw tin, dermatologically tested and made from wax to soothe and protect the lips. It features SPF10 and a vanilla flavour, in a compact Ø4.1 x 1.7 cm format that fits easily in a pocket or bag for everyday use. The metal tin offers a secure screw-top closure and straightforward handling.

The aluminium container is sturdy and reusable, convenient for travel and toiletry kits. Its small size allows fingertip application and discreet storage; store away from heat and reseal after use to maintain the balm’s texture.
