Dimensions	22 x 2,1 x 0,7 CM
Country of origin	China
Carton	250 pieces

DESCRIPTION

This 3-in-1 cork charging cable is a practical phone accessory made from natural cork. It measures 22 x 2.1 x 0.7 cm and features a top loop and a cork sleeve that gathers the three slim cords with three different connector outputs. The design prioritises compact storage and everyday mobile use without adding technical claims beyond the supplied description.

As cork is a 100% natural material, surface texture and porosity can vary between items, so each piece may show slight differences in appearance. The model shows a neat bundled finish with understated connector ends. Available in a single colour (beige).

Order this item as a personalised phone accessory using laser engraving or tampography for companies, sports clubs, associations, events or private customers. This is a promotional product with a minimum order quantity of 125 pieces (colours and sizes combined); smaller quantities may be possible for an additional fee. Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo. Standard production and collection or delivery options apply.
