Country of origin	China
Carton	60 pieces

DESCRIPTION

Personalised powerbank in a slim recycled-aluminium housing, the Powerflat C offers 4000 mAh capacity in a compact 6.8 x 11 x 1 cm format. Its low profile makes it easy to carry in a bag or pocket for on-the-go charging. The side edge houses a USB-A output, a Type-C input/output, a power button and three LED charge indicators for quick status checks. The metallic finish gives a neat, professional appearance while remaining lightweight.

Offered in several colour options — for example Black, Matte Silver and Royal Blue — this powerbank is suitable for trade shows, corporate gifts and event giveaways. Maintenance is straightforward: wipe with a dry cloth and avoid moisture or impacts to preserve the finish. Its flat shape also eases storage and distribution at events.

Customisation options include digital printing, laser engraving and pad printing, depending on the desired result. Ideal for companies, clubs, associations, schools, youth movements and private customers. Minimum order 30 pieces (colours and sizes combined); smaller quantities may be possible with extra fees. Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
