DESCRIPTION

Beach tennis set consisting of two MDF paddles (37.5 x 19 cm) and a soft ball, presented in a cotton mesh drawstring pouch. The MDF construction provides a smooth, flat hitting surface with a simple integrated handle, suited to casual play on the beach, in the garden or at campsites. Wipe clean with a damp cloth for maintenance.

The set includes two round paddles and a soft ball; the cotton pouch with drawcord keeps the paddles together and protected for easy transport. Compact dimensions and lightweight build make it practical for family use and promotional events.

Customisation is available by flex, screen printing on objects, multicolour transfer, DTF printing or laser engraving — choose the technique that fits your branding. Appropriate for companies, sports clubs, associations, schools, events and individuals looking for personalised beach items. Minimum order: 10 pieces (colours and sizes combined).
