Reference	6831
Composition	RPET
Material	RPET
Average weight	0.075
Dimensions	20 x 17 x 12CM
Country of origin	China
Carton	160 pieces

DESCRIPTION

The Senga baseball cap in RPET is designed for promotional and event use. Its 5-panel construction and curved peak provide a classic fit and comfortable wear. The RPET fabric gives a consistent look and is easy to care for: spot clean when needed and avoid aggressive washing to maintain shape. Listed size: 7 1/4; dimensions: 20x17x12 cm.

The cap features four embroidered eyelets for ventilation and a silver metal buckle at the back for size adjustment. Panel stitching and the peak are reinforced for frequent wear. It is offered in several colourways — for example black, blue and red — with nine colours available overall depending on stock.

Make this personalised cap for companies, clubs, associations or events using Flex, Embroidery, Multicolour Transfer, DTF printing or screen printing on objects. Minimum order: 80 pieces (colours and sizes combined). Free quote and in-house design studio available to vectorise or refine your logo.
