DESCRIPTION

The Arpu A5 notebook is designed for everyday professional and organisational use. Its cover is made of 70% pre-consumer recycled leather and 30% PU latex, providing a durable, refined finish; inside are 192 lined pages (96 sheets) of recycled paper. Available in several colours such as Lime, Black and Royal Blue, it fits neatly into a bag and suits note-taking at meetings, workshops or events while remaining easy to care for.

Functional details include a matching elastic closure, integrated pen loop and a ribbon bookmark for quick access to important pages. The binding and rounded corners provide stable opening and comfortable writing across the page.

Suited to companies, clubs, schools and events, the notebook can be personalised — personalised notebook — using embossing, screen printing, flex, digital printing and tampography. Minimum order: 20 pieces (colours and sizes combined). Our graphic studio can prepare or vectorise your logo; free quote within 24 hours on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.
