DESCRIPTION

The Mito Set A6 notebook is made from recycled milk carton and sized for everyday note-taking. Compact (8.2 x 1.2 x 14 cm) with a top spiral binding and 70 recycled pages, it includes a matching push-button pen and an elastic band to keep the book closed. Practical for meetings, events and daily office use.

The supplied pen sits in an integrated pen holder beside the spiral; the rigid recycled carton cover provides sufficient structure for carrying in a bag. Available in several colours, for example white, turquoise or blue, its compact proportions and simple construction make it easy to distribute at events or to hand out as a promotional item.

Customise this personalised notebook using embossing, digital printing, doming, laser engraving or pad printing depending on the desired finish.
