DESCRIPTION

This matt-finish stoneware mug holds 300 ml and features a natural cork base. Its straight-sided silhouette and comfortable handle provide a stable grip, making it suitable for office use, events and retail. The matt surface is easy to care for, while the cork base protects surfaces and adds a natural accent. Dimensions Ø8.9 x 10.8 cm.

The cork base is integrated into the body to improve stability and reduce heat marks. Due to the porous nature of cork, print results may vary slightly from item to item. The stoneware body is practical for everyday use and includes a special coating for laser engraving.

This personalised mug can be marked by screen printing, pad printing or laser engraving, depending on the desired finish. Minimum order: 12 pieces (colours and sizes combined). Suitable for companies, clubs, associations, events and private gifts; free quote within 24 hours on weekdays and production from our workshop in Evere.
