Country of origin	China
Carton	40 pieces

DESCRIPTION

The Ralia powerbank is a slim, compact power bank (13.3 x 6.9 x 1.6 cm) featuring a natural cork casing with ABS and wheat-straw end caps. It provides 10,000 mAh capacity, supports 20W fast charging and Power Delivery (PD) via Type-C, and offers 10W wireless charging. The cork surface is naturally textured and porous, so print results may vary slightly between items. Visible features include two USB-A outputs, a Type-C port and an LED charge indicator.

Its low profile makes it easy to carry in a pocket or bag. The cork finish delivers a pleasant grip and an eco-oriented look while maintaining practical connectivity for charging smartphones, tablets and PD-capable laptops.

Ideal for companies, clubs, associations, events and individuals, this personalised powerbank can be marked by laser engraving, digital printing, screen printing on objects or pad printing to apply logos or messaging. Minimum order quantity: 20 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
