DESCRIPTION

This 500 ml soda-lime glass bottle, model Chai, is designed for everyday use with non-carbonated drinks. Available in several colours (including Black, White, Royal Blue), it suits organisations and individuals looking for a personalised bottle. The cap is made from natural bamboo with a carry loop, and a silicone sleeve protects the base and improves grip. As bamboo is a natural material, slight variations in colour and finish may occur.

Dimensions are Ø6.5 x 23 cm. The design pairs clear glass with natural details: a bamboo lid with a rope handle for easy carrying and a silicone cover for added grip and light-impact protection. The bottle is leak-resistant but not suitable for carbonated beverages.

Customize this personalised bottle using DTF printing, doming, laser engraving, pad printing or screen printing on the object. Minimum order: 10 pieces (colours and sizes combined). Ideal for companies, events, schools, associations and corporate gifts; our graphic studio can retouch or vectorise your logo before production.
