Average weight	0.03
Dimensions	8,3 x 2,8 x 1,2 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

The Vina C 3-port USB hub is a compact, bamboo-bodied accessory designed to expand connectivity for laptops and desktops. The natural bamboo casing shows slight variations in grain and tone, giving each unit a warm, individual character. It houses two USB Type-A ports and one Type-C port in an oval, rounded enclosure; the 2-in-1 cable is 24 cm long and terminates in a USB Type-A plug. Dimensions: 8.3 x 2.8 x 1.2 cm.

For everyday use the hub is lightweight and portable, easy to slip into a pouch or bag. The smooth bamboo finish offers a pleasant tactile feel and the rounded shape improves handling. Bamboo's natural variation means each piece differs slightly. Care is straightforward — wipe with a dry or slightly damp cloth and avoid harsh chemicals.

This personalised hub can be customised by digital printing, doming, laser engraving or pad printing and suits companies, sports clubs, associations, events and private customers who want a practical, eco-minded gadget. Note: minimum order 50 pieces (colours and sizes combined) — smaller quantities are possible with additional fees. Free quote within 24 hours on weekdays; our design studio can vectorise or retouch your logo.
