DESCRIPTION

Organic cotton shopping bag with a rectangular cut and generous dimensions (36x41 cm): this unisex model slips over the shoulder thanks to its long handles. Lightweight and flexible, it is made in the EU from a natural, comfortable fabric. Available in several colours, for example black, blue and red.

The bag features a simple single-compartment design with an open top and no fastening. The long straps make everyday use practical and the visible seams give a clean, durable finish suited to repeated use (shopping, events, trade shows, promotional gifts). Care is straightforward: opt for gentle cleaning to preserve the fabric.

Customise your personalised shopping bag using screen printing, multicolour transfer, flex, embroidery or DTF printing. Ideal for businesses, sports clubs, associations, events and private customers. Minimum order: 75 pieces (colours and sizes combined) — free quote within 24 h on weekdays and an in-house design studio available to vectorise or retouch your logo.
