DESCRIPTION

Ellagan car phone holder in bamboo, designed to clip onto a ventilation vent and hold a smartphone via a central magnetic disc. Its compact oval profile and natural bamboo finish give a lightweight, tactile accessory that keeps your device accessible without cluttering the dashboard. Dimensions: 4 x 5.8 x 3.3 cm.

The front features a circular magnetic pad while the rear has a flexible vent clip that fits between the louvers. The small footprint and single-handed operation make it practical for daily use and compatible with most car vents.

This car accessory can be customised by laser engraving or pad printing, suitable for subtle, lasting branding. Recommended for companies, clubs, associations, events and private customers. Minimum order: 100 pieces (colours and sizes combined) — lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays; graphic studio available for logo finishing. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg. personalised car accessory
