DESCRIPTION

Tridus cup made of polypropylene with a double wall, 300 ml capacity and dimensions Ø9 x 12 cm. Its slightly tapered, straight-sided shape and snap-on lid with a drinking opening provide a secure grip and leak-resistant use on the go. The PP material keeps the cup lightweight and easy to clean for everyday use at the office, events or for lunch.

The cup comes in several colours (for example Black, White, Dark Green). The matte finish and fitted lid ensure good sealing; the lid snaps into place for convenient transport. Suitable for both hot and cold drinks in normal daily use.

Order a personalised cup using screen printing on objects or pad printing: ideal for companies, events, clubs and associations wanting a practical branded item. Minimum order 30 pieces (colours and sizes combined); smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; our graphic studio can vectorise or retouch your logo. Standard production applies; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
