DESCRIPTION

Insulated canvas bag in a compact 30 x 20 x 24.5 cm format, designed for carrying lunches and drinks. Square shape with two separate compartments, cotton carrying straps and double-zip closures on each compartment. The washed canvas provides a matt, sturdy feel while the PEVA lining and 6 mm PE foam offer basic thermal insulation; wipe clean for maintenance. Practical for office lunches, picnics and outdoor events.

The bag includes a flat front pocket for cutlery or napkins and visible stitching that reinforces structure. Dual zips allow wide access to the compartments and the cotton handles run down the body of the bag for even weight distribution. Size suited to lunchboxes and small bottles.

Customisable on request using screen printing (object), multicolour transfer, DTF printing or flex. Recommended for businesses, sports clubs, associations, events and private customers seeking a personalised sports and outdoor bag. Minimum order: 15 pieces (colours and sizes combined).
