DESCRIPTION

The Duin picnic backpack is a Picnic and camping product designed for 4 people, made from RPET (recycled polyester). The backpack cut makes it easy to carry on walks and outdoor events. Dimensions are 42x32x18 cm. It features an insulated base compartment to keep food and drinks cool and organised pockets for plates, a chopping board, cutlery and a blanket. The RPET fabric provides durability and straightforward care; wipe clean as needed.

The interior layout includes holders for wine glasses, elastic loops to secure knives and utensils, a pocket for the chopping board and an exterior sleeve for a bottle or corkscrew. Zips and straps keep items stable during transport, making it practical for group outings.

Customise this personalised picnic backpack for companies, sports clubs, associations, events or individuals using screen printing (objects), multicolour transfer, DTF printing or flex.
