DESCRIPTION

Stainless steel double-wall mug, 300 ml capacity, designed to help keep hot or cold drinks at temperature. Unisex, compact cylindrical shape with an integrated carabiner handle for attaching to a bag or belt. The interior is brushed stainless steel and the exterior has a smooth finish for easy cleaning.

Measuring 11.6 x 8.9 cm, the mug is practical for outdoor and travel use. The double-wall construction reduces condensation and protects hands from heat. The metal carabiner is secured with two visible rivets and the wide rim makes pouring and cleaning straightforward.

Customisable by laser engraving or pad printing, this mug suits companies, clubs, associations, events and private customers. Sold with a minimum order of 20 pieces (colours and sizes combined). Our studio can vectorise your logo and prepare it for marking.
