DESCRIPTION

Multifunctional triangular bandana, model Bandana Bandido, designed for outdoor and sports use. At 87 x 44 cm it comfortably covers the neck, head or face and offers a soft drape thanks to its PET-Cotton blend (polyester/cotton). Practical and easy to care for, it suits repeated use in events and activities. Available in several colours, for example Black, Red and Royal Blue.

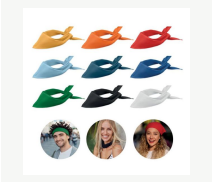

The generous shape allows multiple wearing styles—headband, neck tube or face cover—while flat, neat edges reduce bulk at the knot. Lightweight and versatile, this bandana is handy for teams, events and promotional uses where comfort and function matter. Dimensions: 87 x 44 cm.

Customize this personalised bandana using flex, screen printing, transfer, DTF printing or sublimation. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 200 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and collection or delivery options are available.
