DESCRIPTION

Compact wireless speaker in an ABS casing with a natural bamboo top, offering 5.1 audio and several integrated features. Unisex model measuring approximately Ø11.4 x 4.2 cm, it includes a 10 W wireless charger and a 4000 mAh powerbank with a DC 9V/1.1A output, making it practical for desks, receptions and promotional events. The visible mesh fabric around the body gives a refined tactile finish.

The low, rounded profile shows tactile control icons for volume, playback and power. The bamboo top displays natural grain variations; the plastic base houses connections and the battery compartment. Its compact size makes it easy to position on a desk or countertop.

This personalised speaker can be marked by laser engraving or pad printing depending on the chosen placement. Minimum order: 10 pieces (colours and sizes combined) — smaller quantities possible with an extra charge as indicated on the product page. Suitable for companies, clubs, associations, schools and private customers seeking a useful promotional item.
