DESCRIPTION

Compact bamboo phone stand, model Poy, designed for desk use. The grooved cradle holds most smartphones upright, providing a stable viewing angle for calls or screen use. Bamboo is a natural material so slight variations in grain and shade make each piece visually distinct. Dimensions: 7 x 2.5 x 1.9 cm.

The rounded profile and precise cut-outs secure the device without additional fittings. Easy to wipe clean with a damp cloth, the stand is discreet and fits well in office or reception settings. It is offered in natural wood finishes (Bois) across production batches.

Customisation available by laser engraving and pad printing; this personalised phone accessory is suitable for companies, clubs, associations and promotional events. Minimum order: 250 pieces (colours and sizes combined) — smaller quantities may be possible with extra fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
