Round bamboo wireless speaker

Ref. 6890

Reference	6890
Composition	Battery
Material	Battery
Average weight	0.125
Dimensions	Ø7 x 5.7CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

This personalised speaker offers a compact cylindrical design with a bamboo casing and textile grille, ideal for mobile use. It includes a rechargeable Li-POL battery (300 mAh), SD card slot and comes with AUX and USB cables. A discreet LED indicates operation. As bamboo is a natural material, expect slight variations in grain and finish between units. Output is suited to personal listening or providing sound for small gatherings.

At Ø7 x 5.7 cm the speaker is pocketable and the braided carry loop makes it easy to transport. The bamboo finish provides a pleasant tactile feel while the fabric top protects the driver. Maintenance is straightforward: occasional dusting and recharging via the supplied USB cable.

Customisation is available by laser engraving or pad printing, making this model appropriate for companies, clubs, associations and events looking for an eco-friendly promotional gift. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our studio can vectorise your logo. personalised speaker
