DESCRIPTION

Compact LED torch keyring with a bamboo body and ABS end caps, ideal for corporate giveaways, clubs and events. At Ø7.5 x 1.5 cm it is small enough to attach to a key set yet robust enough for everyday use. The natural bamboo surface displays slight variations in colour and grain, giving each item a distinctive look.

The torch is powered by three LR41 batteries (included) and comes with a metal chain and split ring for easy attachment. Its cylindrical shape provides a comfortable grip and the ABS ends add mechanical durability. Care is straightforward: wipe with a dry or slightly damp cloth to remove dirt or marks.

Customisation is available by laser engraving or tampography, suitable for marking the bamboo barrel or the ABS fittings. A personalised keyring for businesses, sports clubs, associations, schools and events. Minimum order: 250 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a studio for logo vectorisation is available.
