DESCRIPTION

Double-wall vacuum bottle in stainless steel, model Arctic, designed for mobile use. It holds 500 ml and its slim profile (Ø6.5 x 27.5 cm) slips easily into a bag or cup holder. The screw cap with an integrated loop offers convenient handling and the leak-proof construction reduces spill risks when carried around. The brushed steel finish gives a discreet, durable look and is straightforward to maintain.

The stainless steel body provides a smooth surface well suited to marking. The bottle is offered in several colours including Matte Silver and other finishes; the photo shows one of the available variants. Care is simple: rinse by hand regularly to preserve appearance and sealing.

Personalisation available by digital printing, laser engraving, screen printing on object and pad printing — ideal for companies, sports clubs, associations, events and promotional gifts. Minimum order: 15 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to prepare or vectorise your logo. Use this personalised bottle for branded giveaways and merchandising.
