DESCRIPTION

Compact bamboo keyring in a rectangular shape (5.4 x 2.8 x 0.8 cm), designed to attach easily to a key set, bag or luggage. The housing contains a wireless anti-loss receiver with a physical button that also functions as a remote shutter for smartphones. One CR2032 battery is included. Bamboo is a natural material with slight variations in colour and grain; the item is offered in several colour options.

The slim profile and rounded edges make it comfortable to handle and reduce wear when kept with other items. The cord attachment and metal split ring ensure a secure daily fit. The unit requires the free app (iOS/Android) to locate belongings; additional features include phone finder and selfie button. Range specified: 35 m outdoors / 15 min indoors.

This personalised keyring is available from a minimum order of 100 pieces. Marking options: digital printing, doming, laser engraving and pad printing. Suitable for companies, sports clubs, associations, events and promotional gifts for individuals. Free quote within 24 hours on weekdays and an in-house graphic studio can vectorise your logo.
