Country of origin	China
Carton	500 pieces

DESCRIPTION

The Techmate Bamboo is a 16 GB personalised USB flash drive featuring a bamboo body and a swivelling metal cover that protects the USB 2.0 connector. Its compact dimensions (5.6 x 2 x 1.2 cm) and slim profile make it easy to carry. As bamboo is a natural material, slight variations in grain and colour may occur between units.

The design is minimal and practical: a rectangular wooden block with rounded edges and a metal swivel cap with an attachment loop for a lanyard or keyring. There are no textile elements. Its compact form suits everyday office use and mobile workflows, and it stores neatly in pouches or on keychains.

Customisation options include digital printing, doming, laser engraving and pad printing, making the Techmate Bamboo ideal for companies, clubs, associations, events and private customers seeking a useful, eco-conscious promotional item. Minimum order: 250 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to prepare or vectorise your logo.
