Ref. 6904

Reference	6904
Composition	Wood
Material	Wood
Average weight	0.072
Dimensions	24 x 3 x 1,6CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Folding carpenter's ruler in birch wood, designed for centimetre measurements on site or in the workshop. Unisex model, folds down for compact transport (folded dimensions 24 x 3 x 1.6 cm) and extends up to 2 m for long measurements. The light wooden surface keeps the graduations readable and requires simple care: wipe with a dry or slightly damp cloth and avoid immersion.

The ruler features articulated joints that ensure even folding and stable performance when extended. Centimetre markings are printed on the measuring face for quick reading, and the ends are reinforced to resist wear from frequent use. Its straight, rigid profile suits carpentry and general DIY tasks.

Personalise this item with laser engraving, pad printing or digital printing for corporate gifts, promotional items for clubs, associations, schools or events. Minimum order 50 pieces (colours and sizes combined); smaller quantities are possible with additional charges. Free quote within 24 hours on weekdays and our graphics studio can retouch or vectorise your logo. personalised folding ruler
