DESCRIPTION

Small gardening kit consisting of a seed ball for bee-friendly flowers presented in a cardboard box. The ball (Ø2.5 cm) contains a mix of seeds and compacted growing medium intended for direct sowing in pots or outdoors; the packaging is paper-based and protects the seed until planting. Care is limited to sowing and watering according to local conditions.

The cubic cardboard box features a floral print and is designed for easy distribution at events, as a promotional giveaway or as an eco-conscious gift. Its compact dimensions make it simple to store, ship and hand out. Measurements: Ø2.5 cm seed ball, supplied individually in a paper/cardboard box.

Customisation options include digital printing, laser engraving and pad printing to add your logo or message. Ideal for businesses, sports clubs, associations, schools, youth movements and private individuals looking for a practical, green promotional item. Minimum order: 35 pieces (colours and sizes combined). Free weekday quotes and a design studio are available to prepare or vectorise your logo.
