DESCRIPTION

The Maui compact memo set features a recycled paper cover and combines a main sticky note pad (25 sheets) with three coloured sticky page markers, sized 10 x 7 x 0.9 cm for easy desk or on-the-go use. The recycled paper gives a natural, matte feel that is pleasant to write on and easy to carry.

The booklet format keeps sheets protected and tidy on the desk. The coloured markers help organise documents and highlight pages quickly, while the rigid recycled cover maintains the set’s shape. Manufactured in Europe, this accessory is practical for everyday office organisation and fits neatly into a bag or drawer.
