DESCRIPTION

An A5 sheet of recycled paper embedded with wildflower seeds, intended as an eco-friendly promotional insert or small desk accessory. Size 14.8 x 21 cm, with a naturally textured surface and visible inclusions from the recycled fibres; handles like a standard A5 sheet and stores flat. Manufactured in the EU and suitable for distribution at events, as an insert or as a welcome gift.

The paper's artisanal finish features visible flecks and seeds rather than textile components. Exact dimensions are provided on the product sheet. Note the minimum order quantity indicated on the fiche: 500 pieces (colours and sizes combined).

Customisation available by digital printing to apply your logo, message or artwork. Recommended for companies, clubs, associations, events and private customers seeking a sustainable giveaway. This item is a personalised paper desk accessory designed for green communication campaigns.
