DESCRIPTION

This reusable 44 ml Songoblim shot glass is made for event and hospitality use. Its tapered silhouette with a slightly thicker base and straight rim provides a secure grip and easy pouring. Constructed from glass, it features a special coating formulated for sublimation to ensure good adhesion and colour reproduction during decoration.

Measuring Ø4.9 x 6 cm, the compact size makes it easy to store and serve. The coated surface protects the decoration during printing but benefits from gentle care: hand washing is recommended and abrasive dishwashing cycles should be avoided to preserve the print quality over time.

The glass can be personalised by sublimation or by pad printing (tampography) depending on the finish required. Well suited to bars, companies, clubs, events and corporate gifts, it is sold with a minimum order of 70 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo prior to printing. personalised shot glass
