DESCRIPTION

Round wireless charging pad finished in bamboo, suitable for office or home use. With slim dimensions (Ø9.1 x 0.8 cm) and a smooth surface, it provides a discreet, natural support for Qi-compatible devices. Bamboo is a natural material, so individual items show slight variations in colour and grain. A small LED indicates charging status. Care is straightforward: wipe with a dry or slightly damp cloth and avoid immersion.

The low-profile design makes device placement easy and the unit is powered via the supplied cable. The bamboo finish gives a warm, tactile look that suits corporate desks, event giveaways or personal use.

Order this personalised wireless charger with laser engraving or pad printing to add your logo or marking. Minimum order: 25 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
