DESCRIPTION

The Leyti herb seed sticks are a compact paper pack (10x13 cm) intended for gardening use. Each set contains chive, basil and parsley seeds mounted on easy-to-sow sticks. Made in the EU from paper, the format is lightweight and well suited to promotional giveaways, event handouts or educational activities. Follow the sowing and care instructions provided to ensure healthy growth.

The die-cut card evokes a plant pot and neatly displays the seed sticks; there are no complex fastenings or pockets, making the item simple to store and ship. Its small footprint is practical for mailings and exhibition distribution.
