DESCRIPTION

Compact tape measure in recycled ABS, measuring 6x6x3.5 cm, designed for professional and community use. The moulded casing with grip ribs provides secure handling and the attached wrist strap makes it easy to carry. Intended for one-handed operation, the metal end and top lock enable controlled measuring and steady retraction. Care is simple — a wipe with a cloth is enough to keep it clean.

The housing includes a metal belt clip for attachment and an easily accessible locking mechanism. The internal tape is protected by the robust shell, reducing wear during frequent use on site or in workshops.

Customisation options: doming and pad printing. This personalised tape measure suits companies, clubs, associations and events looking for a practical promotional item. Minimum order: 50 pieces (colours and sizes combined). A free quote is provided within 24 hours on weekdays.
